Re: Notice of File Closure for Small Mining Activities, Wild Mountain Lode, S/047/060, Uintah County, Utah

Dear Mr. Richens:

It has come to our attention that we failed to notify you that the file S/047/060 for your Wild Mountain Lode project, located in Sections 11 and 14, T2S, R25E, Uintah County, Utah will be retired from our files. We apologize for this oversight for not processing this closure in a more timely manner.

The BLM inspected the project area on September 26, 1996 and found the surface reclamation satisfactory. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly.

If you wish to commence any mining related activity in this area in the future, you will need to submit a new notice of intention to the appropriate agency(s), pay the Division permit fees and receive written approvals prior to creating any surface disturbance. If you have any questions or concerns regarding this letter, please contact me at (801) 538-5267.

Sincerely,

for Anthony A. Gallegos
Senior Reclamation Specialist
